THIS YEAR, WE'RE WORKING TOWARDS RAISING:

£25,000

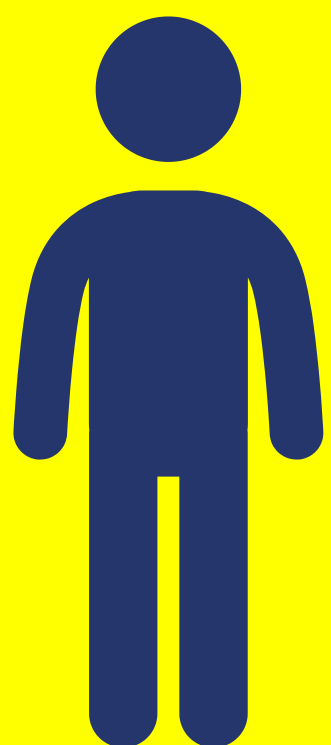

Our Goal for the Year

We want to recruit, train, and support 15 amazing volunteers with everything they need to succeed.

£140

That's the average cost per month to train, equip, and support a volunteer helping people with brain injuries in the community.

£1600

to pay for each volunteer per year.

It costs £1600 to get a Volunteer set up with IT/ Training and everything they need for the year.
